

QDialog

```
graph BT; t.Window --> QDialog
```

The diagram consists of two rectangular boxes. The top box is white with a thin gray border and contains the text 'QDialog'. The bottom box is gray with a thick black border and contains the text 't.Window'. A solid blue arrow points vertically from the top center of the 't.Window' box to the bottom center of the 'QDialog' box, indicating an inheritance relationship.
